DIVISION a: SPRAYS

Prize Money in this division:

First Prize, £10 Second Prize, £6 Third Prize, £4

Class 1. Any C. japonica cultivar, one spray

Class 2. Any C.x williax A.001 T.3177cpr20

Sub-section 2- 55030(6):1176 9.9c 0 Tw 1.55 0 Td(0-) 0 T103 Tc -0.009 To 26(c):

Except where otherwise stated the prizes will be as follows:

First Prize, £10

Second Prize, £6

Third Prize, £4

Please refer to Regulations 127, 22nd 28.

Additionally the Rhododendron, Camellia and Magn@iaoup will award The John Hillia@upfor the best Rhododendron spray in the Competiti(open to all competitors), he John Fox Rhododendron Plate fortrposits in the Rhododendron Copretition (open to members only) at the PhostrogenCupfor the best rhododendron truss in the Competition (open to all competitors)

Section 1 - Species

- Class 1. Any six speciesone truss of each First Prize, £32; Second, £24; Third, £16.
- Class 2. Any three specie, sonetruss of each First Prize, £16; Second, £12; Third, £8.
- Class 5. Any species one truss , o Td [(r)2027 131 Tf 03. rss
- Class 4. Any species one spray not exceeding 30 mm the top of the vase. Exhibits over 24 width will not on that account gain extra marks.

 First Prize, £16; Second, £12; Third, £8.
- Class 5. Any species of subsect.ridorea, one truss

Class16. Any species of subsect. Taliensia

Class 36.

Except where otherwise stated the prizes will be as follows: First Prize, £10 Second Prize, £6 Third Prize, £4

Restriction in size: Entries in all classes must be no larger than 221/2

Section A

- Class 1. Four trees or shrubs of different genera, in bloowther than a camellia, magnolia or rhododendron, one vase of each

 First Prize, he Charles Elegentenary Bowl and £25; Second £18; Third, £12.
- Class 2. Four ornamental plantsof different genera, in bloomincluding bulbs but excludingrees and/or shrubs in bloom, one vase of each.

 First Prize, £25; Second £18; Third, £12.
- Class 3. A tree or shrub, in bloomother than a camellia, magnolia brododendron, one vase.
- Class 4. A S13>>BDC 82 (x)9.4 Tc -0.03in (har)-7 0 Tdo36 Tw -nd £18; T To 0 Td [(,)9.9 ()]TJ 0 P

Section B - Magnolias

TheRhododendron, Camellia and Magnolia Group will award the Magnolia Rose Bowl for the most points in Section B (open to all competitors)

- Class 14. Magnolia campbellii, M. dawsoniana, Msargentiana or M. sprengeri, their subspecies, forms and varieties, or a hybrid of which at least one pare into these species, one bloom
- Class 15. Magnolia campbellii, M. dawsoniana, Msargentianaor M. sprengeri their subspecies, forms and varieties, or a hybrid of which at least one parer from these species, one spray.
- Class 16. Magnolia acuminata, its forms and varieties, or a hybrid of which at least one parent is from this species, one spray
- Class 17. Magnolia liliiflora, M. denudata, or a hybrid of which at least one parent is from these species, but excluding hybrids eligible for classes 13 & 14, one spray
- Class 18. Any magnolia eligible for classes 15 & 16, one bloom. This excludes hybrids eligible for classes 13 or 14
- Class 19. Magnolia kobus, M. salicifolia, M. stellatæor a hybrid of which at least one parent is from these species, but excluding hybrids eligible for classes 13 & 14, one spray.
- Class20. Magnolia kobus, M. salicifolia, M. stellataor a hybrid of which at least one parent is from these species, but excluding hybrids eligible for classes 13 & 14, one bloom.
- Class21. Any magnolia, michelia, or manglietia species or hybrindt included in classes 13 to 19, one bloom.
- Class22. Any magnolia, michelia, or manglietia species or hybrirot included in classes 13 to 19, one spray.
- Class23. Any magnoliaone bloom, shown by a first time exhibitor or any exhibitor who has not won a prize inthe last five years at a previous RHS Spring Ornamental Plant Competition

Please refer to Regulations 1126, 26, 29, 30 and 31 and Notes on Hybrids on page 9

DIVISION 4: SPRAYS

Prize Money in this division:

First Prize, £10

Second Prize, £6

Third Prize, £4

Additionally, the SE Banch of the Rhododendron, Camellia and Magnofizur will award the Peter Betteey Cup for the most points in the Competition (open to branchembers only)

Section B

Cultivars other than Camellia japonica

| Class 2.1 | Any three, other than cultivars of japonica, one bloom of each First Prize, £10; Second, £6; Third, £4 |
|-----------|--|
| Class 22 | Any C reticulata camellia, species or hybri(Parentage to be stated), one bloom |
| Class 23 | Any thre€ × williamsii, one bloom of eatc. First Prize, £10; Second, £6; Third, £4 |
| Class 24 | Any singleflowered C × williamsii cultivar, one bloom. |
| Class 25. | Any semidouble C × williamsii cultivar, one bloom |
| Class 26 | Any anemoneformed or peonyformed C × williamsii cultivar, one bloom |
| Class 27 | Any roseformed or formal double Cx williamsii cultivar, one bloom |
| | Section C |
| | Miniatures and species |
| Class 28 | Any miniature, one bloom |
| Class 29 | Any three miniature blooms one bloom of each First Prize, £10; Second, £6; Third, £4 |
| Class 30 | Any speciesone bloom |
| Class 3.1 | Any three specie, sone bloom of each First Prize, £10; Second, £6; Third, £4 |

Section D

Class 32.

THE MAIN RHODODENDRON COMPETITION SATURDAY AND SUNDAY APRIL 20 & 21 2024

Except where otherwise stated the prizes will be as follows:

First Prize, £10 Second Prize, £6 Third Prize, £4

Please refer to Regulations 127, 22nd 28.

Section 1 - Species

A competitor may exhibit in Class 1 and 2, but the same species may not be exhibited in both classes

A species in these two classes includes its variants

| Class 1. | Any six species, one truss of each First Prize, The Lionel de Rothschild Challenge Cup and £32; Second, £24; Third, £16 |
|----------|--|
| Class 2. | Any three speciesone truss of each First Prize, £16; Second, £ T2 jrd, £8. |
| Class 3. | Any speciesone truss First Prize, The McLaren Challenge Cup and £10; Second, £6; Third, £4. |
| Class 4. | Any speciesone spray not exceeding "3from the top of the vase. Exhibits over" 24 width will, not on that account gain extra marks First Prize, The Roza Stevenson Challenge Cup and £16; Second, £12; Third, £8 |
| Class 5. | Any species of subsect.reorea, one truss |
| Class 6. | Any species of subsect.relyrophylla, one truss |
| Class 7. | Any species of subsecta@bata, subsect. @schraor subsect.Maculiferaone truss |
| Class 8. | Any species of subsecta@panulata, subsect.Fulgensiaor subsect. Lanata, one truss |
| Class 9. | Any species of subsect.randia or subsect. alconera, one truss |
| Class10. | Any species of subsectoffunea, one truss |
| Class11. | Any species of subsectulva, subsect. rlrorata or subsect. Parishia, one truss |
| Class12. | Any species of subsectallensia, one truss |
| Class13. | Any species of subsect. Aniflora, one truss |
| Class14. | Any species of subsect. And iflora, one spray not exceeding "12" height from the top of the vase. |
| Class15. | Any species of subsectoPitica, one truss |
| Class16 | Any species of subsecth mesonia subsect Selensian subsect Campylocarpaone truss |

- Class17. Any species of subsecthomsonia, subsect. Sensiaor subsect. Compylocarpa one spray not exceeding 1'2from the top of the vase
- Class 18. Any elepidote species of genush adodendronnot mentioned in classes above, one truss or spraynot exceeding 24" from the top of the vase.
- Class 19. Any species o subsect. Boothia, subsect. Edgeworthia or subsect. Maddenia, grown in the open or otherwise, one spray not exceeding 120m the top of the vase
- Class20. Any species osubsect.Boothia, subsect.Edgeworthia or subsect.Maddenia, grown in the open or otherwise, one truss.
- Class21. Any species of subsectriffora and subsectHeliolepidaother than R augustinii, one spray not exceeding 1'8 from tn3oGb48. Bros 1746d Qia B33(so)-wo [(f t)-(C)-0o43b77a e,

Except where otherwise stated the prizes will be as follows: First Prize, £10

Second Prize, £6 Third Prize, £4

Except where otherwise stated the prizes will be as follows:

First Prize, £10 Second Prize, £6 Third Prize, £4

Restriction in size: Entries in all classes must be no larger than 21/1/11/1254' otherwise stated.

The removal of shoots or leaves in order to make the fruits more conspicuous will be regarded as a fault if the natural habit of the plant is thereby altered.

- Class 1. Four trees or shrubs of different genera with autumnal fruits ne vase of each (unrestricted size).

 First Prize, The Stephenson R Clarke Cup and First Prize, £25; Second £18; Third, £12.
- Class 2. Four trees or shrubs of different genera with autumnal foliagene vase of each (unrestricted size).(See regulation 53, page 5)

 First Prize25; Second £18; Third, £12.
- Class 3. A tree or shrub with autumnal fruitsone vase.
- Class 4. A tree or shrub with autumnal foliageone vase(See regulation 5) page 5)
- Class 5. A tree or shrub with autumnal fruits and foliagone vase(See regulation 3) page 5)
- Class 6. Roses in fruit, one varietythree stems, one vase.
- Class 7. A tree or shrub in bloomone vase.
- Class 8. A heath or heather in bloomone vase.
- Class 9. A tree or shrub shown for its coloured barlone vase.
- Class 10. A bamboo

- Class 17. A plant other than a tree, shrub or grass with autumnal foliagene vase.

 (See regulation 5) page 5)

 Class 18. A climbing plant with autumnal foliageone vase (unrestricted siz (See regulation 5) page 5)

 Class 19. Dahlias, mixed varieties one vase displayed for overall effect.

 Class 20. Chrysanthemums, mixed varieties ne vase displayed for overaffect.
- Class21. A tender perennial, other than a bulb, grown under glass or otherwise, in bloome vase.
